ARCH TRENDS

Legno **Light**

A vertical rectangular image showing a close-up of a stone surface with a complex, organic pattern. The pattern features wavy, flowing lines in shades of cream, light beige, and pale orange, set against a darker, muted brown background. The texture appears smooth but with natural veining.

ICONIC

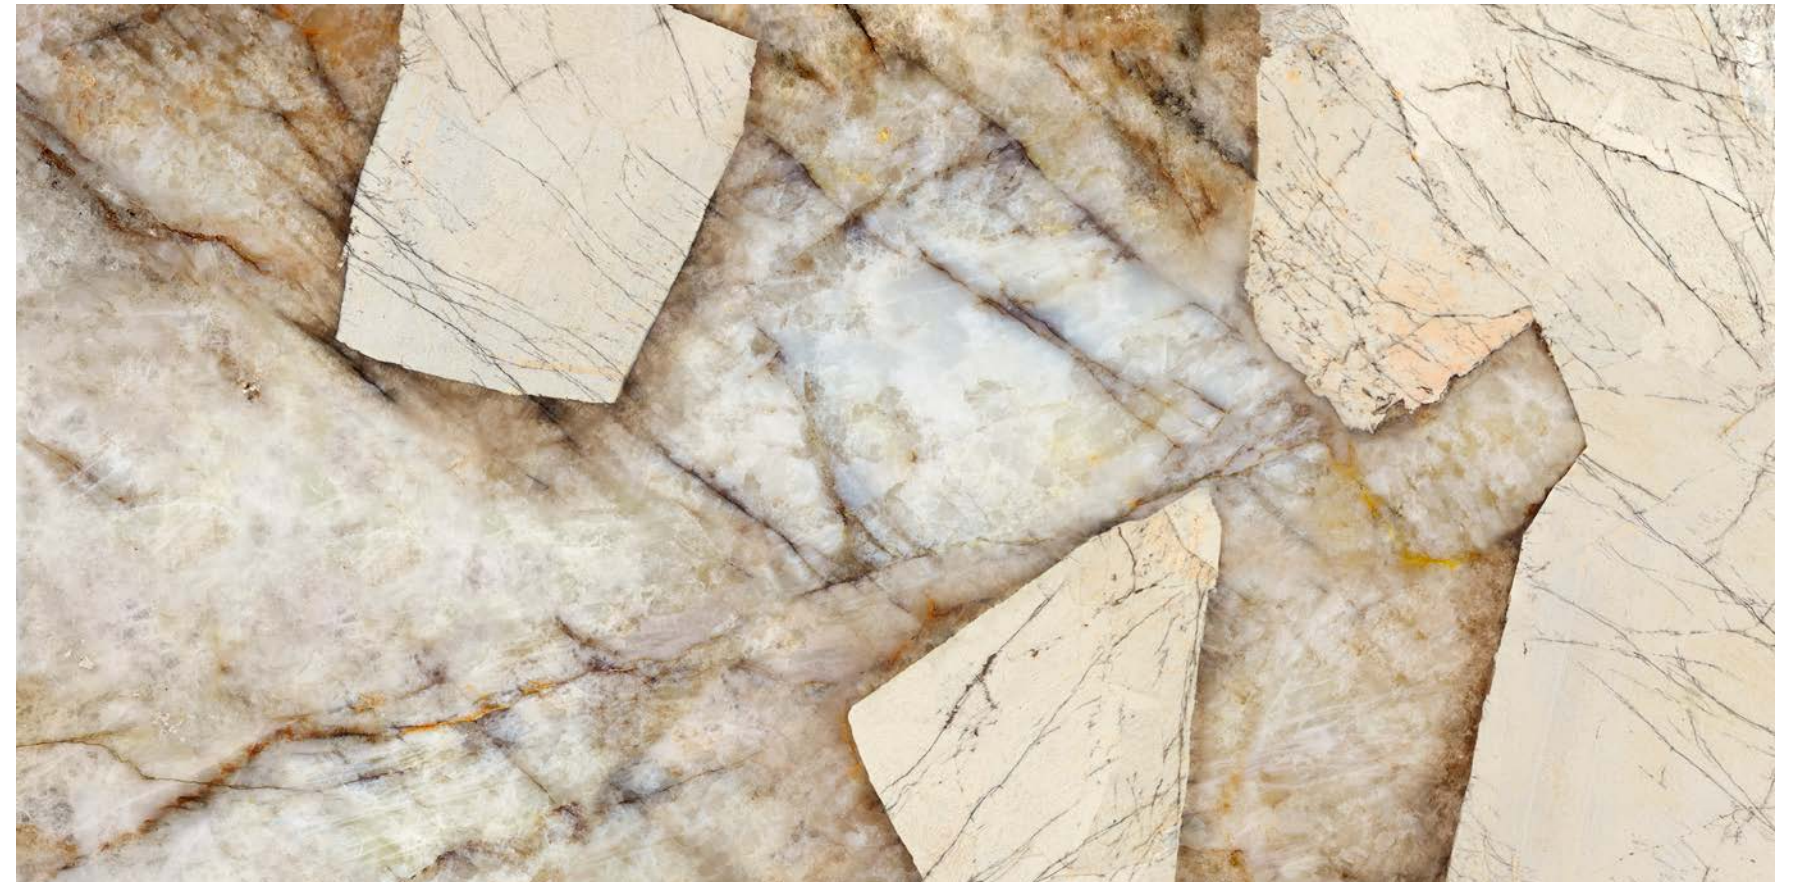

Onyx Cream

A vertical rectangular image showing a bookmatch pattern of the Onyx Cream stone. The image is split vertically down the center by a thin white line. The two halves are perfectly mirrored, creating a symmetrical, kaleidoscopic effect. The organic, wavy patterns of the stone are reflected across the central axis, enhancing the complexity of the design.

ARCH TRENDS

Supergrey

ARCH TRENDS

Legno

ARCH TRENDS

A vertical rectangular sample of Onyx Serena material, showing a complex pattern of horizontal, wavy bands in shades of beige, cream, and light brown. The texture appears slightly grainy and organic.

ICONIC

Onyx Serena

Two vertical rectangular samples of Onyx Serena material, joined side-by-side to demonstrate a bookmatch. The pattern of horizontal, wavy bands in shades of beige, cream, and light brown is mirrored across the joint, creating a symmetrical, butterfly-like effect. The texture is consistent with the iconic sample.

Bookmatch

Ceppo

ARCH TRENDS

A vertical rectangular image showing a close-up of a marble surface. The pattern consists of dark grey, almost black, wavy veins running diagonally from the top-left to the bottom-right. These veins are set against a lighter, greyish-blue background. There are also some thin, golden-brown veins interspersed throughout the pattern.

ICONIC

Nuvola

A vertical rectangular image showing a close-up of a marble surface, similar to the one on the left. It features dark grey wavy veins on a lighter grey-blue background with some golden-brown accents. The label 'Bookmatch' is written in the top-left corner in a white, italicized serif font.

Bookmatch

ICONIC

A vertical rectangular image showing a close-up of a marble pattern. The background is a light blue-grey color, overlaid with a network of thin, dark brown and gold-colored veins. The veins are irregular and organic in shape, creating a complex, textured appearance.

Arctic Blue

Bookmatch

A vertical rectangular image showing a bookmatch marble pattern. The pattern is symmetrical along a vertical axis, with the left and right sides of the image being mirror images of each other. The background is a light blue-grey color, overlaid with a network of thin, dark brown and gold-colored veins. The veins are more pronounced and structured than in the 'Arctic Blue' pattern, forming a central, elongated, and symmetrical shape that resembles a stylized 'V' or a pair of wings.

Thundra

ARCH TRENDS

Regio

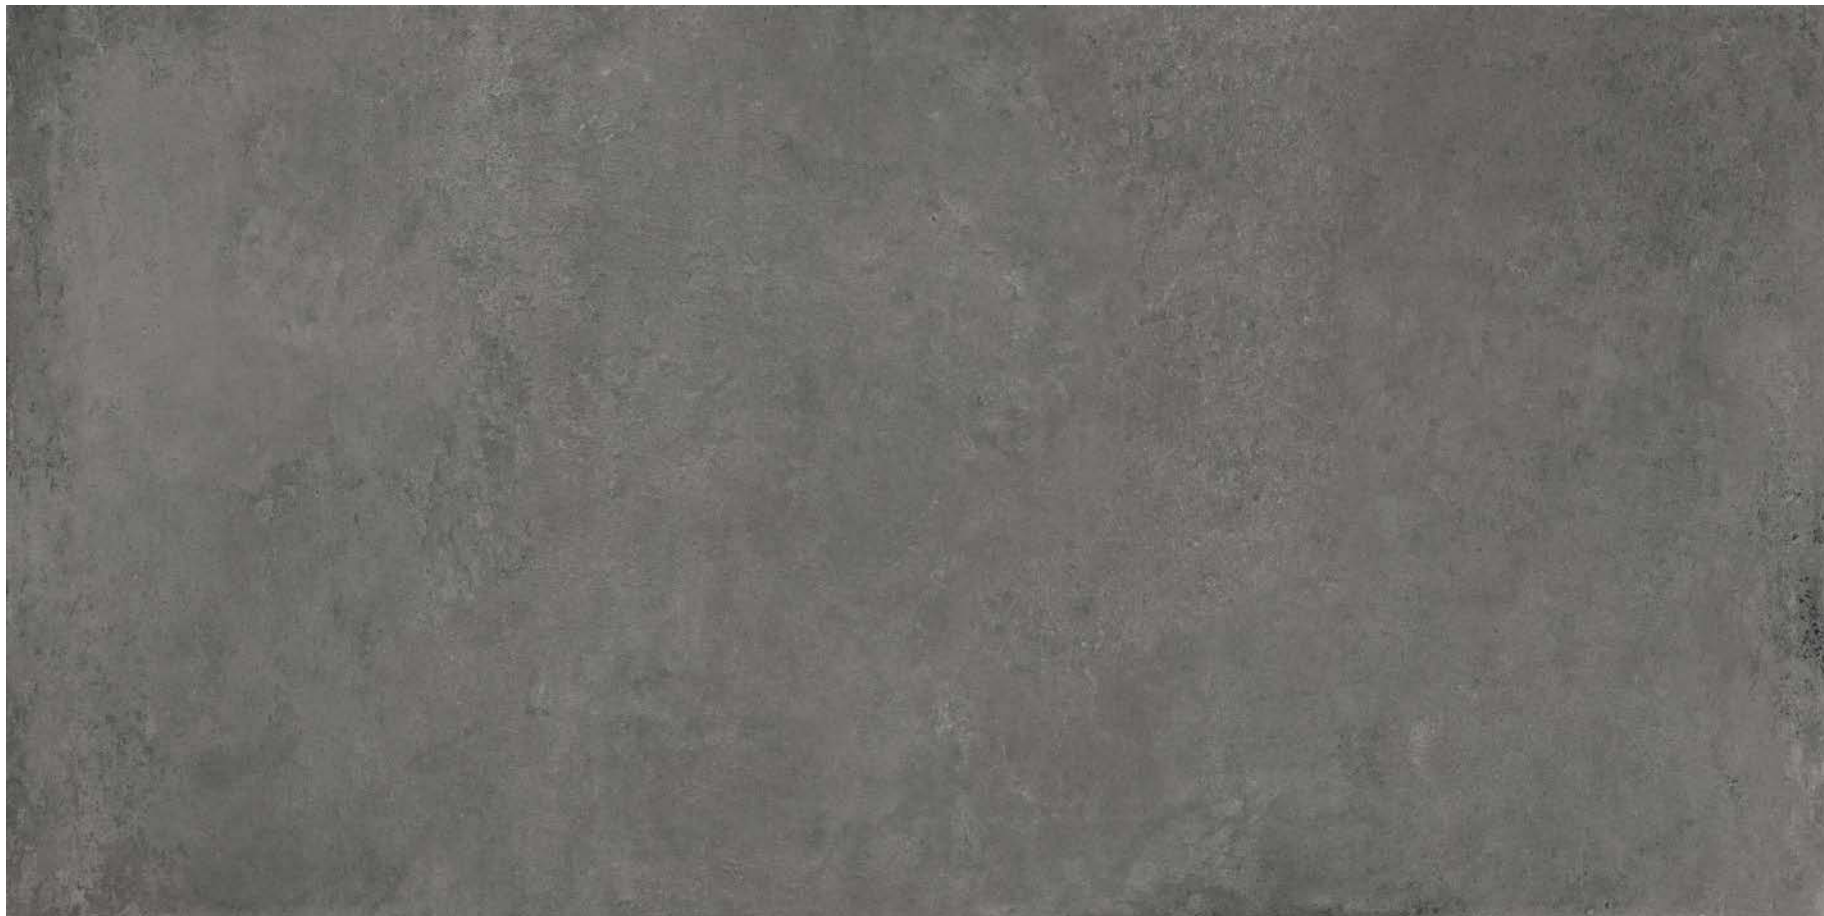

Fior di **Bosco**

ARCH TRENDS

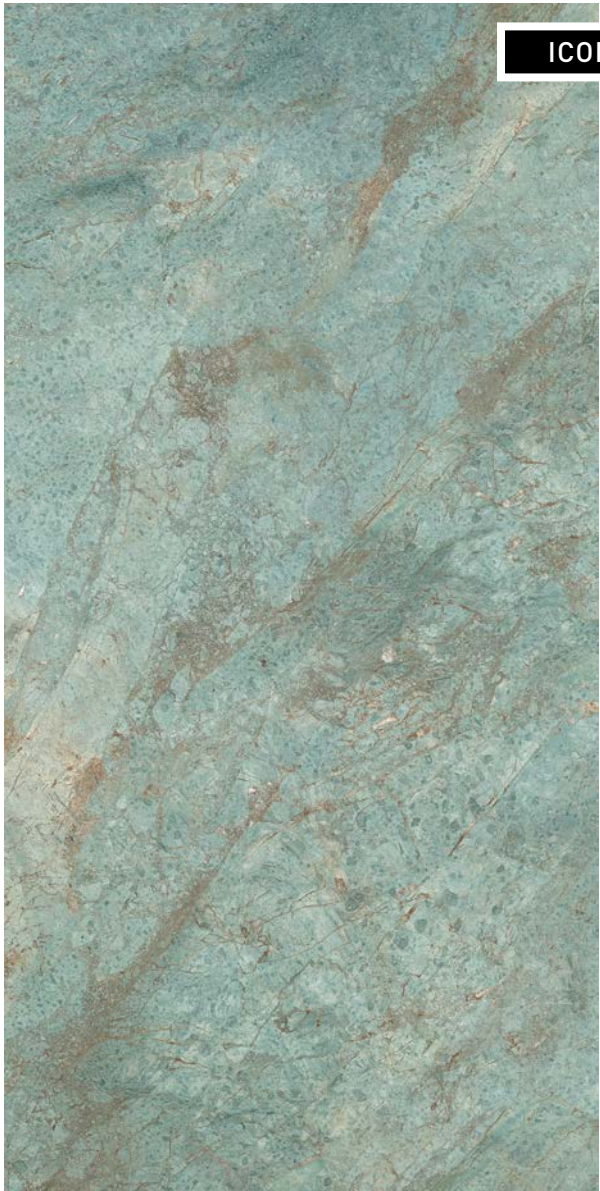

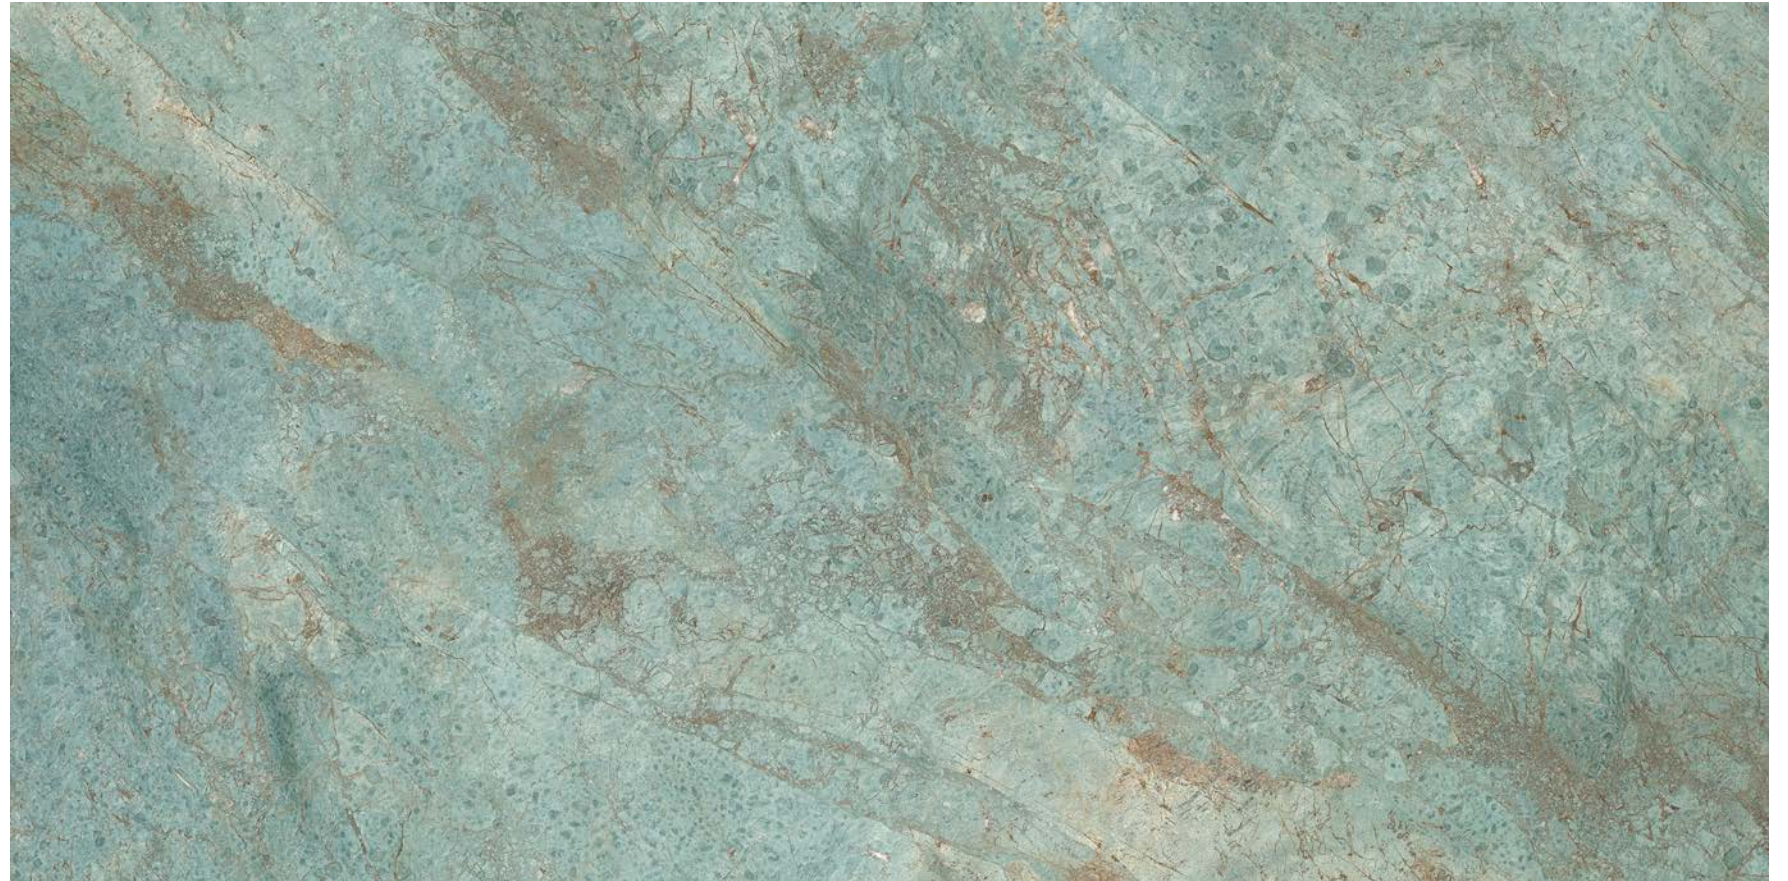

Tambora

ARCH TRENDS

A vertical rectangular sample of marbled paper. The background is a muted teal or slate blue color. Overlaid on this are intricate, organic patterns of brown and tan. These patterns appear as thin, branching veins and larger, more diffuse patches, creating a complex, naturalistic texture reminiscent of stone or biological growth.

ARCH TRENDS

ICONIC

Athenea

Petra **Brown**

A vertical rectangular image showing a complex marble pattern. The pattern features swirling, layered veins of dark brown, light tan, and greyish-brown. The texture is organic and fluid, with some areas appearing more saturated than others.

ICONIC

Orobicco

A vertical rectangular image showing a marble pattern, identical to the one on the left, but with a thin vertical white line running down the center. This line represents a 'bookmatch' joint where two pieces of the same marble have been joined together.

Bookmatch

Ferox

A modern kitchen interior featuring a large island with a dark, marble-veined countertop and base. The island has a built-in gas cooktop with a stainless steel pot. The background wall is covered in light-colored wood panels, with two black ovens integrated into the cabinetry. To the left, there are open shelves with glassware. A large window on the right side of the background wall offers a view of a city skyline. The floor is made of light-colored wood planks in a herringbone pattern. In the top right corner, there is a white rectangular box with the text "ARCH TRENDS" in bold, black, sans-serif font.

ARCH TRENDS

Blackfalls

A modern kitchen featuring a dark, veined marble countertop with yellow and white streaks. The cabinetry is a light grey with a minimalist design. A stainless steel oven is built into the lower cabinets on the left. A large window in the background shows a garden with green plants and a white fence. A chrome faucet is positioned over a rectangular sink in the foreground. The floor is a light grey tile.

ARCH TRENDS

St. Laurent

ARCH TRENDS

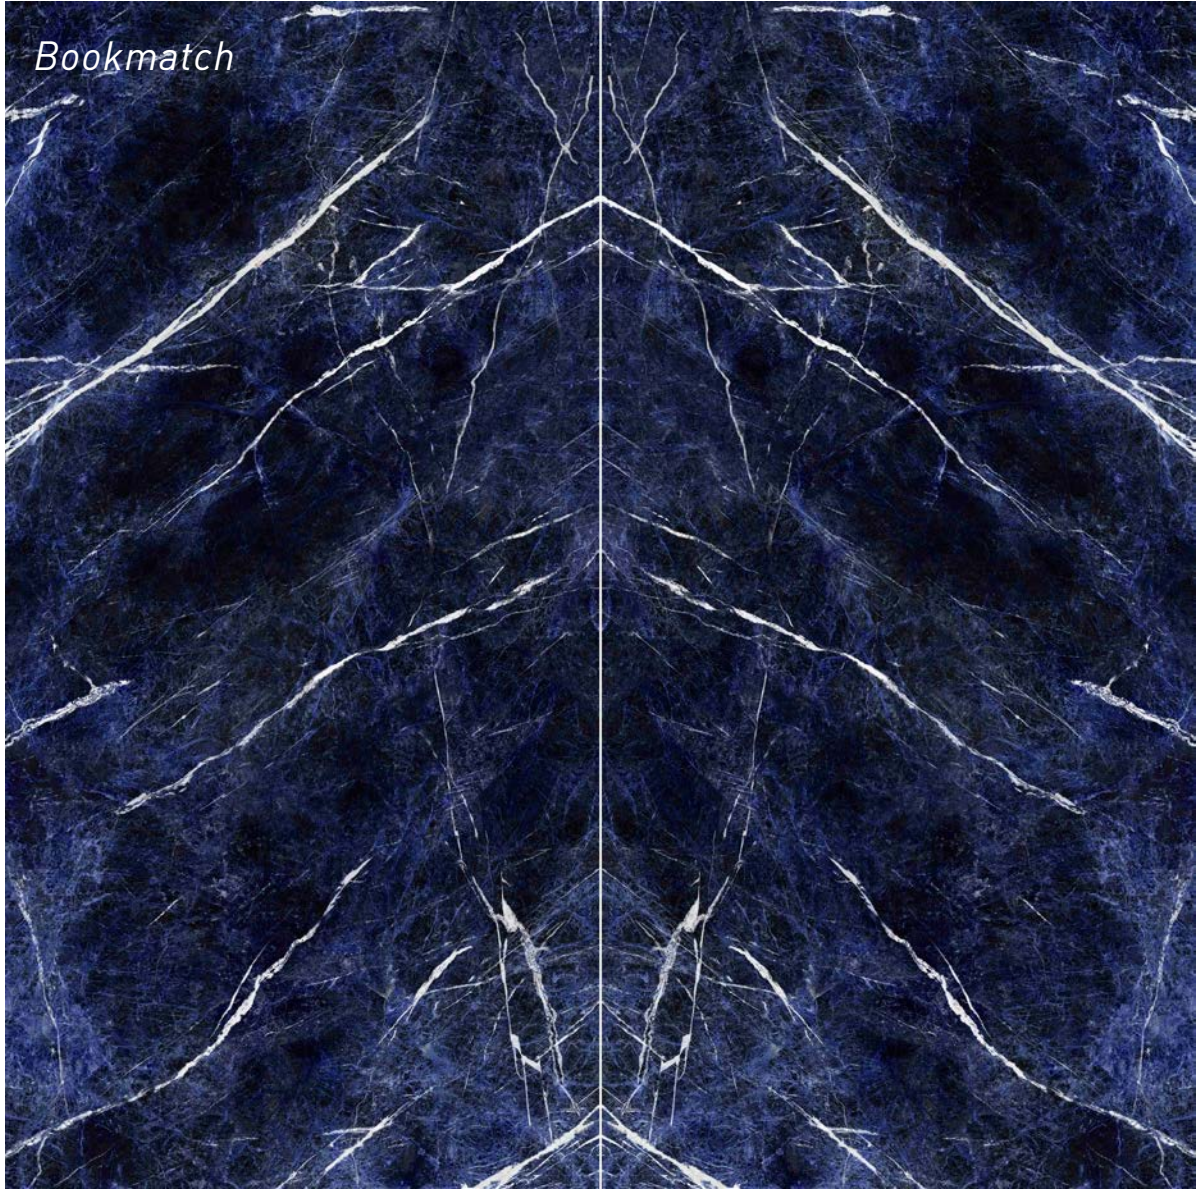

ICONIC

A vertical rectangular image showing a close-up of a Sodalite Blue marble pattern. The background is a deep, dark blue with intricate, flowing veins of a lighter, silvery-blue or white color. The veins vary in thickness and direction, creating a complex, organic texture.

Sodalite **Blue**

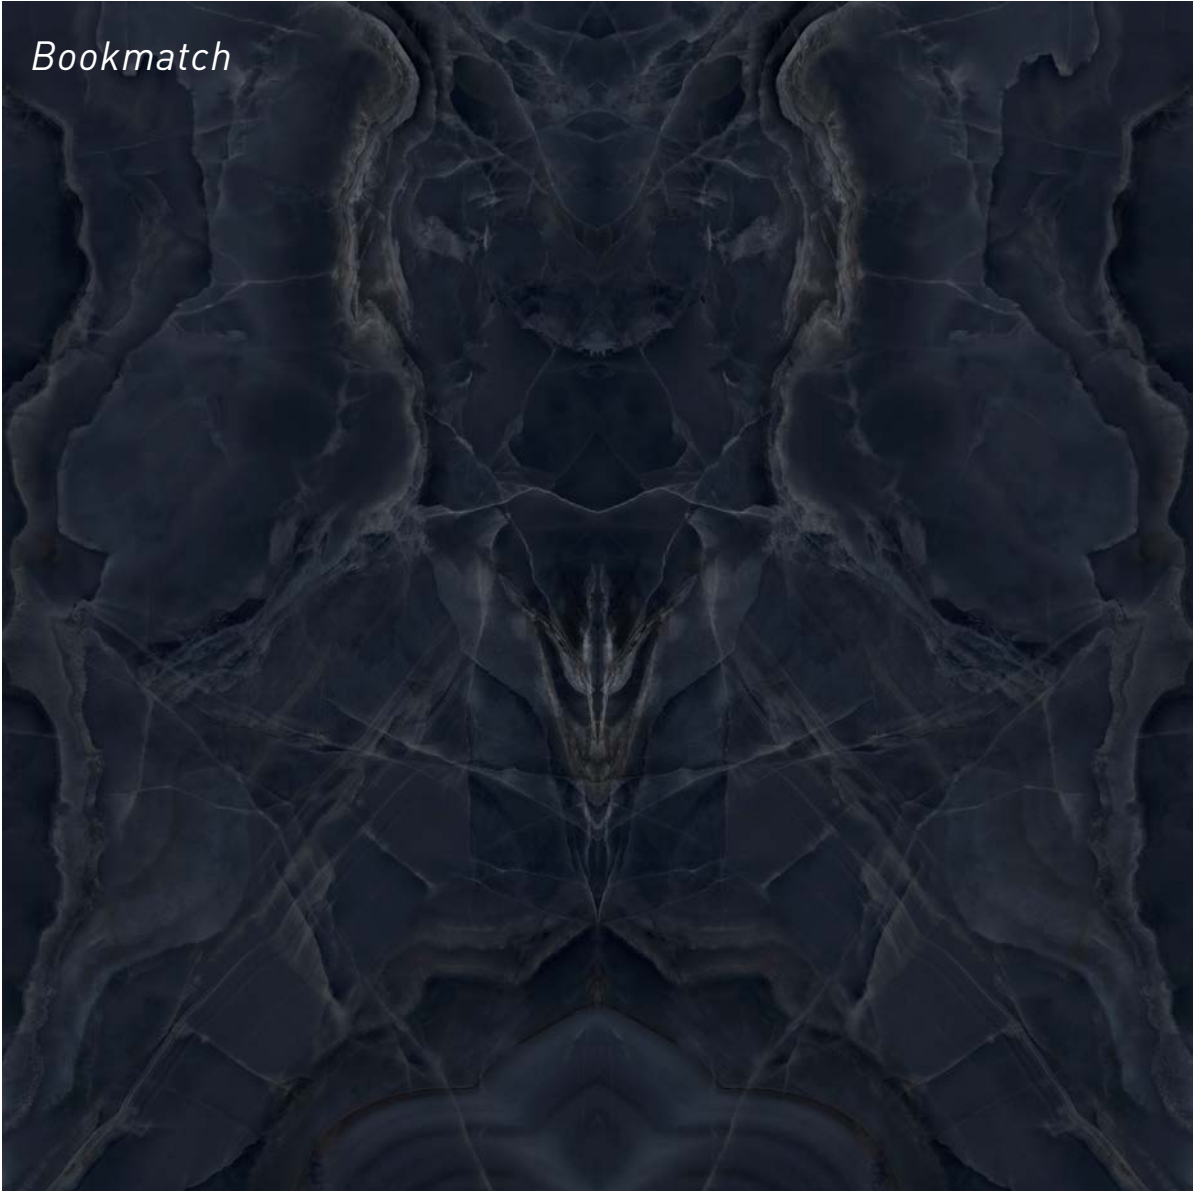

Bookmatch

A vertical rectangular image showing a bookmatch Sodalite Blue marble pattern. The pattern is symmetrical along a vertical line down the center, where two identical pieces of marble have been joined. The veins of the lighter blue/white color mirror each other perfectly across the central axis, creating a balanced, butterfly-like appearance. The overall color is a rich, dark blue.

ICONIC

Onyx **Dark**

Bookmatch

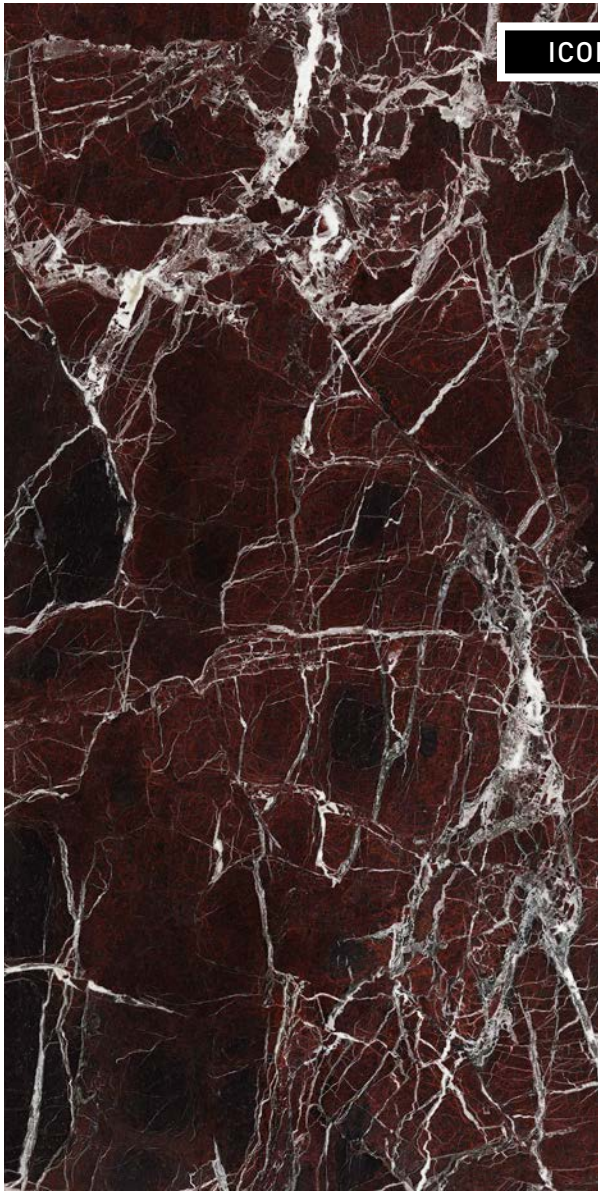

ICONIC

Starlight

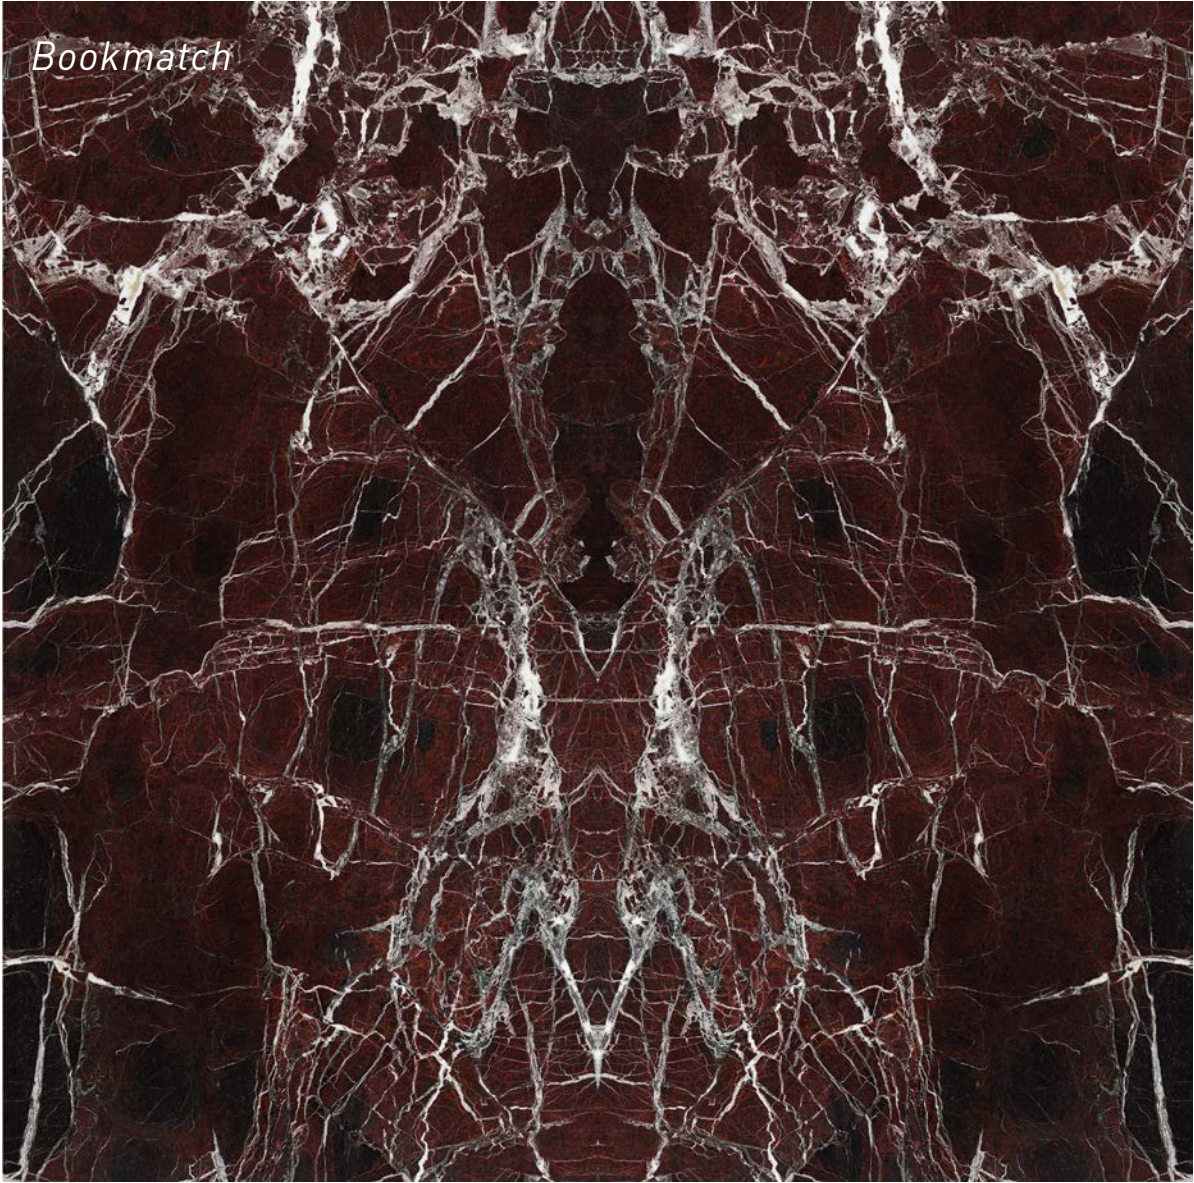

Bookmatch

ICONIC

A vertical rectangular image showing a dark, rich brown marble pattern with intricate, light-colored veins. The veins are irregular and branching, creating a complex, organic texture. The overall appearance is that of a high-quality, natural stone surface.

Capriccio

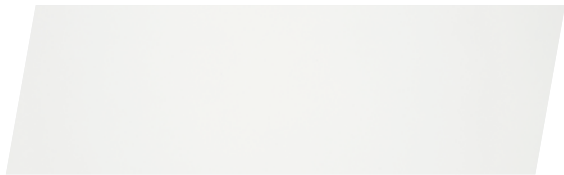

Bookmatch

A vertical rectangular image showing a dark, rich brown marble pattern with intricate, light-colored veins. The pattern is a bookmatch, meaning it is a mirror image of the Capriccio pattern on the left, creating a symmetrical, butterfly-like effect when the two pieces are joined. The veins are irregular and branching, creating a complex, organic texture. The overall appearance is that of a high-quality, natural stone surface.
